

AT RECEPTION SUNDAY—Over 200 persons attended the welcome reception Sunday afternoon honoring the two new physicians and new dentist. Greeting Mr. and Mrs. Charles Wesbrooks, are, from left, Pam Davis, Derrel H. Davis, D.D.S., N. R. Kulkarni, M.D., Jan Stafford and R. L. Stafford, M.D. The reception honoring the new doctors in the community was hosted by the Hamlin Board of Community Development. Also in the receiving line (not pictured) were Gary McMillan, BCD president; Mrs. McMillan, Stephanie and Suzanne Stafford, Mrs. Esta Stafford, and Mrs. Stafford's parents, Mr. and Mrs. Larry White of Cayucos, Calif. The reception was held in the Fellowship Hall of First United Methodist Church.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Ready or not, it is football time again. For the avid football fan this time never gets here soon enough, but for many wives it's, "no not that time again," as the weekend tv viewing turns to football.

But for many of us, it's a time of mixed blessings. We are ready to see the Pipers in action but at the same time we hate to see summer come to an end. The combination of school starting and the football season getting underway increases the tempo of most of our lives.

After two practice scrimmages, the Pipers will open the season Friday night against their old arch rivals, the Stamford Bulldogs.

Let's all go to Stamford Friday and help the Pipers launch another successful season.

We think maybe it would help if Abilene Reporter-News' farm editor J. T. Smith would have an orientation session with the newspaper's editorial help. Somebody needs to brief them on problems of the area farmers.

This was brought to mind when the Thursday morning edition carried a big six column head on a story that said "Wheat Increase Drives Up Cost of Bread." We suspect that the farmers are still wondering who got the increase.

To the Reporter-News' credit they did come back with an editorial contradicting the story and supporting the wheat farmers. The story itself was so contradicting that it should have just been thrown in the trash to begin with. But if it was going to be printed, then the headline writer should have read enough of the story to know that while it said the value of wheat in a pound loaf of bread was up three-tenths of a cent from June to July, it was down 41.5 percent from a year ago.

Even if the value of the wheat in a loaf of bread is up three-tenths of a cent, which we doubt, this would hardly seem to "drive up the cost of bread."

This is the kind of problem the farmer is facing in trying to get across his story that he is losing the battle with inflation. This might be understandable back in the east where the newspaper people would not know a wheat field if they saw one, but you expect better from a West Texas publication.

How can the farmer explain his problem to Congress and the American people, when even his neighbor doesn't understand it?

And while we may fault the newspapers for not getting the farmer's story across to the public, they also carry an unjust blame for a lot of other things. Grant Mabry,

—Continued on page 4

Feagan, Sellers to Launch Area Cattlemen's Round-up

Bill Feagan and Cecil Sellers of Hamlin have been named area chairmen of the 18th annual Cattlemen's Round-Up for Crippled Children to benefit the West Texas Rehabilitation Center. Round-Up Chairman C. A. "Charlie" Morris reports 132 individuals from 79 Texas

towns will seek livestock donations for the fall sales.

The animals will be auctioned off with all proceeds going to help support the operations of WTRC facilities in Abilene, San Angelo, and Snyder.

The cattle sale is set for 1 p.m. Monday, Sept. 26, at

Ranchers and Farmers Livestock Auction in Abilene; the horse sale is set for 1 p.m. Saturday, Oct. 1, at the Abilene Livestock Auction; and a special sale is planned for 1 p.m. Oct. 5, at the Coleman Livestock Auction.

WTRC is now in its 25th year of serving the handicapped of all ages.

WTRC Board President Harwell Barber states that the 1977 Round-Up needs to be the "best ever" if the Rehab Center is to keep pace with the increasing number of patients being admitted plus the fact of inflation which has resulted in an increased operational budget of \$1.4 million for the year.

District Rotary Governor to Visit Here Wednesday

Herbert Arthur Zappe, D.D.S., of Mineral Wells will be here Wednesday, Sept. 7, for his official visit to Hamlin Rotary Club as Governor of Rotary District 579.

He will meet with Richard Y. Cloud, president, and with Joe Simpson, secretary-treasurer, at 11 a.m. and with the club membership at the noon luncheon. Officers and committee members will meet with Dr. Zappe at 1 p.m.

A dentist and longtime member of Rotary, he has been actively involved in Rotary Club work for many years. He holds membership as a Paul Harris member, the highest award for a Rotarian.

Work In Progress On Jones County History

Announcement is made this week of the proposed publication of "History of Jones County," according to Hooper Shelton of Rotan. Research work was started early this year by Shelton and Rev. E. L. Yeats. Rev. Yeats, a former pastor of Hamlin First Methodist Church, became ill in Hamlin while working on the project in early June. His health has improved so that he can assist to a great extent but is not able to carry active role.

After Rev. Yeats' illness, Homer Hutto, editor of Western Observer in Anson, agreed to compile history of Anson and south Jones County. "He is a very able historian and writer and has full cooperation of Miss Hybernica Grace, who is considered an authority on early day history of the County and has collected so far more than 50 years," Shelton said.

Hamlin Board of City Development recently voted to collaborate with Shelton on the Hamlin section of the book, and has made available

a large amount of research in addition to pictures.

Shelton has interviewed pioneers in Hamlin and the area and made tape recordings of these. He states he is enjoying nice cooperation from individuals and organizations.

While much work has been done on research, etc., much remains to be done and publication of the book is planned for next year, Shelton said. The history is expected to be approximately 300 pages, well illustrated, high grade book paper and bound hardback.

Although Hamlin is one of the 'younger' town of Jones County her history is very important to the area, and Hamlin citizens are most proud of this. Every effort will be made for a well balanced book with ample representation for each town and community.

"A committee of qualified people in each town will pass on final manuscript before publication, assuring that each town is treated fairly," Shelton said.

SENIOR CITIZEN DISCOUNT SET

Herald Subscription, Classified Rates Increase Effective Today

The subscription and newsstand price of the Herald increases with this issue, according to Bob Craig, publisher. At the same time a new Senior Citizen discount rate will become effective, he said.

Beginning today (Thursday) newspapers across the state will be exempt from the sales tax, both on the individual sale and subscriptions. The newsstand price will increase with this issue from 14 cents plus tax to 20 cents, no tax.

The "in area" price for the Herald will increase from \$6.30 (including tax) per year to \$7.00 (no tax). The out of area, but in Texas, price will increase from \$7.35 to \$8.00 and the out of Texas price will increase from \$8.00 to \$9.00 per year.

But to help offset this increase to the senior citizens who are forced to live on limited budgets, we are offering a \$2.00 discount for those 65 and over, Craig said. This discount will be limited to newspapers going to senior citizens and not on gifts to those under 65.

Because of the merger of The Aspermont Star with the Herald next week, we are increasing the counties in our in-area price to include those counties presently served by the Star. The "in area" price will now include all subscriptions going to Jones, Fisher, Taylor, Stonewall, Dickens, King, Kent, Haskell, Shackelford and Nolan counties.

Classified advertising rates will also increase, effective today, Craig said.

"But to help offset this

increase," Craig said, "we will lower the minimum word count from 20 to 15 words and increase the discount for consecutive insertions."

"Because of the high cost of bookkeeping and billing, we will continue with our 'cash only' policy, except for established, regular accounts," Craig said.

The new rate will be 10 cents a word for the first insertion, or a minimum of \$1.50, but the second and additional insertions will be offered at a package rate when paid for at the time of the original order. The minimum for two weeks will be \$2.40, the minimum for three weeks will be \$3.30, the minimum for four weeks will be \$4.20. When extended by the week, each additional insertion will be 8 cents a word or a minimum of \$1.20.

KICKOFF SET FOR 8—

Pipers to Open Football Season Friday Night At Stamford

Coach Bill Grissom's Pipers will travel to Stamford Friday night to open the 1977 football season with their long-time rivals, the Bulldogs. Kickoff is set for 8 p.m. in Bulldog Stadium.

This will be the second meeting of the two schools in a contest that does not affect the district outcome for either team. The Bulldogs are in District 6-AA while the

Pipers are in District 7-A.

Although both teams over the years have won their share of district titles, neither team is rated very high in its respective district this year. The Abilene Reporter-News

Swearing In Ceremonies Set In Anson

The swearing in ceremonies of the newly appointed judge and district attorney for the newly created 259th Judicial District will be held at 10 a.m. today (Thursday) in the district court room in Anson.

H. G. (Pete) Andrews Jr. of Stamford will be sworn in as the new district judge and Quay F. Parker of Albany will be sworn in as district attorney. The two men were appointed to these positions last week by Gov. Dolph Briscoe.

The new district was created by the 1977 legislature for Jones and Shackelford counties and becomes effective today.

has Stamford rated sixth in their strong AA district and Hamlin rated in a tie for third in 7-A.

Colorado City and Merkel, both scrimmage foes of the Pipers, are rated above the Bulldogs in the area picks. The area form chart for District 7-A has Munday picked to come out on top, followed by Paducah and then Hamlin and Crowell tied for third. Haskell is ranked fourth, followed by Knox City, Rotan and then Aspermont.

Faced with the problem of rebuilding his defense this year, Coach Grissom was still expressing concern for it following the scrimmage Friday with Merkel. He was also concerned about a number of injuries to his starting offensive backfield. Fullback Mike Hymer was hurt in the Colorado City scrimmage and Halfback Ronald Brown was injured at Merkel.

Both players are expected to see action Friday at Stamford but may not be at full strength.

Probable starters for the Pipers Friday will be (12) Drew Tomlinson, 180-pound senior at quarterback; (40) Hymer, 150-pound senior at fullback; (31) Jimmy Gipson, 170-pound senior at tailback;

and (44) Brown, 170-pound junior at halfback.

In the line it will be (50) Brett McCracken, 155-pound senior at center; (60) Mark Carter, 170-pound junior at left guard; (61) Vance Lakey, 180-pound junior at right guard; (73) Marvin Williams, 190-pound junior at left tackle; (72) Joe Smith, 220-pound junior at right tackle; (81) Tommy Maberry, 160-pound senior at tight end; and (22) Frank Lane, 155-pound junior at split receiver.

Although the Piper coaching staff exchanged scrimmage films with the Bulldog staff, they do not have a roster of the players and do not know very much about the individuals.

According to the area reports, Stamford was hard hit by graduation last year and has only seven lettermen returning with four of these starters off of last year's squad.

Junior Varsity

To Play At 5

The Piper Junior Varsity will open the football season here today, (Thursday) for Hamlin fans when they host Stamford. The game, scheduled for 6:30, has been changed to 5, according to Coach Bill Grissom.

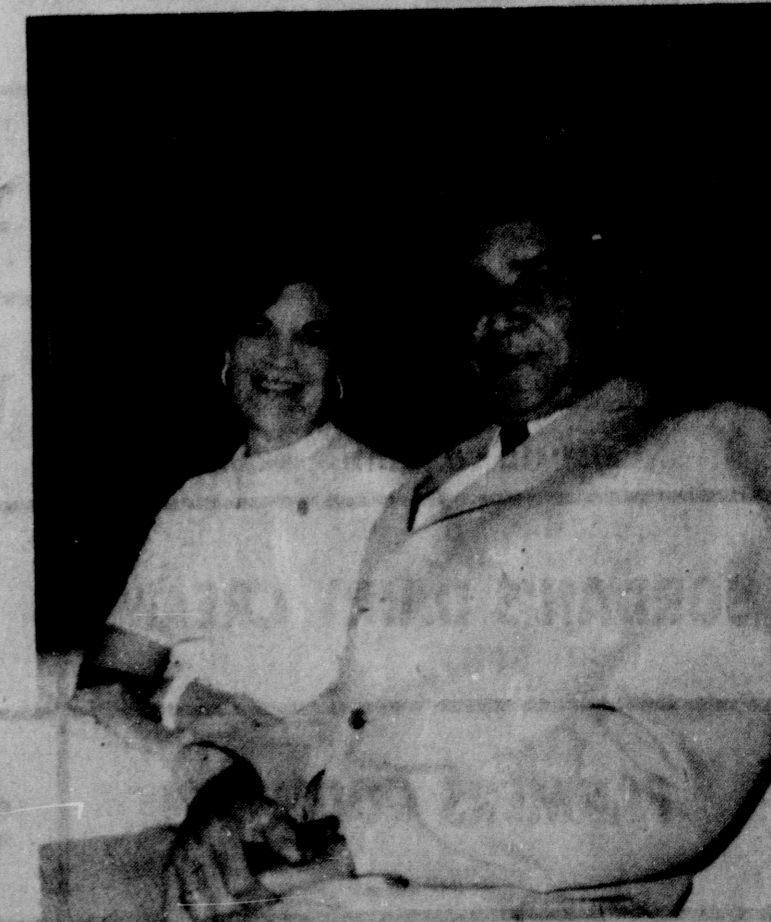

Earlier the two schools had two games scheduled, both a junior varsity and a freshman game. But Hamlin had to drop its freshman schedule because of a lack of players and Stamford cancelled its junior varsity schedule for the same reason.

Baptist Church To Seek Part-time Minister of Youth

The congregation of First Baptist Church voted by ballot Sunday, Aug. 21, on members of a search committee for a Minister of Youth for the church to serve on a part-time basis.

The person selected by this committee will be recommended to the church for vote.

Those elected to serve on the committee are Andy Brown, Mrs. Joe Don Hymer, Jamie Jones, Mrs. Robert Goodgame Jr. and Mrs. George Werner.

OPEN BUSINESS—Mr. and Mrs. Bill Foster, owners of Foster Funeral Home, are shown in the reception room of the new business which opened Monday. "A formal open house will not be set," the couple said, "but everyone is invited to come by to see our new facility."

Kayla Mehaffey, Fair Sweetheart, Attends Luncheon

Kayla Mehaffey, the reigning West Texas Fair Sweetheart chosen in 1976, attended a luncheon honoring all the 1977 Sweetheart contestants at the Abilene Country Club Saturday.

Miss Mehaffey introduced the 23 contestants for the first round of judging for the selection of the 1977 Sweetheart. Following her selection, the 1977 Sweetheart will reign during the West Texas Fair in Abilene.

Daughter of Mr. and Mrs. Howard Mehaffey, Kayla is a second semester freshman nursing major at Tarleton State University in Stephenville.

Local Girl Scout Leaders to Meet

A Service Unit meeting of all Hamlin Girl Scout leaders, helpers and anyone who wishes to become a leader will be Tuesday at 1 p.m. at the hut.

Linda Walker of Abilene, Hamlin's new field representative, will preside. "We will need mothers for leaders of some of the younger troops, due to new safety regulations," Mrs. Johnny Waldrop, service unit chairman said. There has to be one adult to every five Brownies, she added.

Championship Winners Named

Winners in the club championship game at the Tuesday evening meeting of Hamlin Duplicate Bridge Club were Mrs. Jean Brown and Bobby Graham, both of Abilene, first; Mrs. Ray Sonnenburg and Dale Lain, second; Mrs. Gene Knabel and Mrs. W. O. Wilbanks, third; and Beverly Riley and Mrs. Vi Novak, both of Abilene, fourth.

Favorite Recipes

by Barbara Craig

I received several recipes this week, just when I thought our readers were not cooking very much and most certainly must not be interested in sharing recipes.

Must be the weather and the beginning of school. I also went back to bring out two old favorites that had not been used in our home for some time.

I even used a 5 pound bag plus one-fourth cup of flour and all but one-half cup of a 3-pound can of Crisco to make up about 20 pie crusts for the freezer. That should take care of the winter. For those who like to make just one big 'mess' at a time this information might be helpful. According to my calculations a 5-pound sack of flour is 20 cups. A 3-pound can of Crisco is 7 1/2 cups.

Mrs. W. L. Moore gave us the recipe for Pineapple Flop Cake and Monday morning's mail brought two recipes from Sandy Howell of Kelso, Wash. She is a daughter of Mrs. Inez Helms and has contributed to this space before.

Mrs. Howell also mentioned that she enjoys getting the home town paper 2,000 miles away—even though it makes her homesick at times.

"Hamlin will always be the 'Best All American Town' to be from," she said.

Mrs. Howell says her recipes are easy to make and very good.

The recipes from the Craig kitchen are for Lasagna and Pecan Pie.

PINEAPPLE FLOP CAKE

Mrs. W. L. Moore
2 c. flour
2 t. soda
1 1/2 c. sugar
1 can crushed pineapple with juice (No. 2 size)

Mix all ingredients together. Blend well. Beat by hand (not mixer). Bake in well greased and floured oblong pan at 325 degrees for 35 minutes. Leave in pan and pour cooked icing over cake while still hot.

ICING

1 1/2 c. sugar
1 stick oleo
1 can angel flake coconut
two-thirds c. evaporated milk

Mix all ingredients together and cook four minutes. Pour over hot cake.

IMPOSSIBLE PIE

Sandy Howell

4 eggs, beaten
2 c. milk
1 t. vanilla
1/2 c. flour
Pinch of salt
1/2 c. margarine, softened
two-thirds cup sugar
1 c. flaked coconut
1 t. baking powder

Combine all ingredients in blender container; process for one minute. Pour into greased 10-inch pie pan. Bake in preheated 350-degree oven for about 45 minutes or until golden brown and firm.

LADYFINGER COOKIES

Sandy Howell

1 c. chunky peanut butter
1 c. dates
1 c. raisins
1 c. powdered sugar
2 T. butter (melted)
Put dates and raisins through food grinder and mix all ingredients together. Form into small finger size rolls and refrigerate overnight. (Much better to put in the freezer) Roll in Chocolate Dip.

CHOCOLATE DIP

6 oz. bag chocolate chips
1 1/2 1.65 oz. Hershey Bars.
1/2 cake paraffin
Cut paraffin in small pieces and melt with Hershey bar and chocolate chips in double boiler. Dip cookies with a fork in melted chocolate mixture while over hot water.

LASAGNA

Barbara Craig

1 1/2 lbs. lean ground beef
1 1/2 onion, finely chopped
2 garlic buds, minced
1/2 t. oregano
2 bay leaves
1 can tomato paste
1 can tomato sauce
2 can tomatoes, drained
1/2 t. pepper
1/2 t. salt
9 Lasagna noodles
1 T. butter
1 ctn. cottage cheese
2 eggs
Parmesan cheese, to taste
Mozzarella cheese, 1 pkg. sliced

Brown meat, onions and garlic in small amount of fat, add tomatoes and seasonings. (If mixture seems too dry, drain only one can of tomatoes.) Simmer one hour. Cook lasagna noodles in salted water and butter. Arrange a layer of noodles in

Homemakers Salad Supper Planned Tuesday

The Hamlin Chapter of Young Homemakers will have a salad supper Tuesday at 7 p.m. at the high school. All members are urged to attend and bring a salad. The program will include the revealing of secret sisters and the choosing of this year's sisters.

Anyone interested in joining Young Homemakers should contact Mrs. Warren Reynolds at 576-2583 after 5 p.m. Deadline for joining is today (Thursday).

Ruth Class Holds Meeting, Elects New Officers

The Central Baptist Church Ruth Sunday School Class met Tuesday at the home of Mrs. Eddie B. Hopper. The opening prayer was given by Mrs. Newell King, Mrs. Floyd Wallace gave the Bible quiz and Mrs. W. J. Stewart gave the devotional.

New officers elected for the year were: Mrs. Raymond Nichols, president; Mrs. Ben Wilcox, vice-president; Mrs. W. J. Stewart, secretary; Opal Goodgame, treasurer; Mrs. R. Y. Cloud, assistant secretary and reporter; Mrs. Floyd Wallace, mission chairman; Mrs. Robert Cary, teacher and Mrs. Roy Embrey, assistant teacher. Ten were present.

a greased baking dish; top with meat sauce. Combine cottage cheese and eggs; place a layer of mixture on sauce. Sprinkle with Parmesan cheese and add a layer of Mozzarella cheese. Repeat layers twice. Bake in 350-degree oven 30 minutes. Yield: Six generous servings.

PECAN PIE

Barbara Craig

1 1/4 c. sugar
1/4 c. white syrup
1/4 c. butter
1/2 c. water
Bring slowly to the boiling point. Then gradually pour over:
3 beaten eggs
Mix well and add:
1/2 t. salt
1 t. vanilla
1 c. chopped pecans
Pour into 9-inch unbaked pie shell and bake 30 to 40 minutes at 350 degrees.

MRS. DENNIS W. WHERRY
... formerly Lola Marentes

Marentes-Wherry Vows Read In Stamford

Lola Marentes of Abilene, daughter of Mr. and Mrs. Felix Marentes of Hamlin, and Dennis W. Wherry of Abilene, son of Mr. and Mrs. Melvin F. Wherry of Miller, S. D., were married Saturday at 3 p.m. in Saint Ann's Catholic Church in Stamford.

The Rev. Stephen White, pastor, officiated. The bride was presented in marriage by her father.

Alma Ramon of Hamlin, niece of the bride, was maid of honor. Bridesmaids were Minnie Medina of Colorado City, Mrs. Nick Marentes and Sesma Ann Ramos, both of Abilene.

Jennifer Marentes of Hamlin and Melissa Ann Carreon of Rule, both nieces of the bride, were flower girls.

Train bearers were Cindy Marentes and Rudy Ramon Jr., both of Hamlin.

Chad Wherry of Abilene, grandson of the bridegroom, was ring bearer.

Felix Flores of Lubbock was best man. Groomsmen were Danny Sullivan, Nick

Marentes, brother of the bride, and Freddie Flores, all of Abilene.

Guests were seated by the bridegroom's sons Jerry Wherry and Joe Wherry, both of Abilene.

The reception was hosted by the bride's parents in Fellowship Hall. Assisting as hosts and in the houseparty were Mrs. Casimiro Medina of Colorado City, Mrs. Lupe Ramos and Ilene Bolwright, both of Abilene, Mrs. Irene Ramon of Hamlin and Mrs. Inez Carreon of Rule.

After a wedding trip to Ruidoso, N. M., the couple will be at home at 3017 Nonesuch Road in Abilene where he is employed by Gooch Packing Plant and she is employed by Hendrick Hospital.

The bridegroom is a high school graduate of Orient, S. D. The bride attended Hamlin schools.

FHA Honors New Freshmen With Breakfast Tuesday

The Future Homemakers of America honored the freshmen last Tuesday morning with a "come as you are" breakfast. Held in the home of Julie Jeffrey, the menu included cinnamon rolls, doughnut holes, sausage rolls, milk and orange juice.

About 37 girls were present.

FROM THE FILES ..

FIFTY YEARS AGO
(August 28, 1927)

School days are fast approaching when thousands of school children will present themselves at their respective school districts for the commencement of another term of school work. It is hoped that every school unit will be in first class sanitary condition for the reception of these children. However such has not always been the case in years past, especially in rural districts and numbers of small towns, and it will not be the case this year, unless health officers throughout the state take time to give personal attention to a county wide school sanitation program.

School rooms should be thoroughly cleaned with water and soap; school premises should be cleaned of weeds and rubbish; windows cleaned; heating system put in good working order; plumbing repaired and put in good condition in schools having such facilities open back surface closets should be abolished and chemical closets or approved pit privies installed in schools not having plumbing; and special attention given to providing safe water supplies. Too often school officials are careless about such matters, unless the local health officer calls attention to the necessity of this work.

It is also hoped that health officers will give as much time as possible to the physical examination of school children in schools that do not have regular health service. Examinations of school children during the last few years show that approximately 25 per cent are suffering from malnutrition, glandular defects, and diseased tonsils, while 75 per cent have defective teeth.

TWENTY YEARS AGO
(August 22, 1957)

Record enrollment of 184 students has been recorded for the 1957-58 term of school at DePriest Colored School, reports Principal E. S. Morgan. Previous high enrollment was 162.

Besides pupils from the Hamlin territory, high school students are coming to the Hamlin school from Aspermont, Rotan, Roby and McCaulley by bus. A new bus is operating in the Hamlin section to pick up children.

Another member was added to the faculty of DePriest this week, reported Morgan, principal of the school which has already been in operation for three weeks.

The new teacher is Mrs. Dollie P. Brown, who is teaching the first and second grades. She replaces Mrs. E. F. Ford in these grades, since the homemaking department has been expanded and Mrs. Ford is devoting three-fourths of her time to that division.

Mrs. Brown is a graduate of Prairie View College at Hempstead and Jarvis College of Hawkins. She holds a BA degree, having majored in elementary education and minored in music. She is living with Mrs. Bertha Jones.

Addition of Mrs. Brown to the faculty brings the total number of teachers at DePriest to eight.

Automobiles of today have nearly everything one could ask for as far as comfort, ease of handling and looks are concerned.

An Anson car dealer asserts that manufacturers are turning out cars that operate and run as smooth as velvet. The only jerks in them are behind the steering wheels.

A device has been invented that emits a squawk when a driver exceeds the speed limit. Backseat drivers will resent this competition.

Preparations are being made to greet hundreds of people of the Hamlin community, as well as from outside the area, at the former opening and open house of the recently occupied \$60,000 east wing addition to the Hamlin Memorial Hospital Sunday afternoon, according to Mrs. Charlie Gregory and Mrs. John Scarborough, who are directing the open house. The doors will be open to the public from 2:00 until 5:00 o'clock.

TEN YEARS AGO
(August 24, 1967)

Clarence Irvine, owner of Irvine Hardware, has announced the formal opening of the store, Friday and Saturday. Free prizes are being given. Registration will be during the two day event with the prizes being

announced at 4 p.m. Saturday. No purchase is necessary, Irvine said, and the winner does not have to be present.

T and O Flowers will have their grand opening this Saturday, according to an announcement made by the owners, Mr. and Mrs. Ben Turner and Mr. and Mrs. Burt Oliver.

Free coffee and cookies will be served during the event.

Graduation services for Hamlin extension of Jones County School of Vocational Nursing will be held Friday at 8 p.m. at the Church of the Nazarene. The public is invited.

Students to receive diplomas are Lettie Allen, Alletta Donham, Lola Douglas, Ann Hale and Jewel Hicks, all of Hamlin.

NEWS AND VIEWS. . .

And What Have You

--Continued from Page One

publisher of the Hood County News points up this problem when it comes to dealing with people committing a major crime. His thoughts on the recent capture of the alleged "Son of Sam" killer deal with a major problem facing our society.

His thoughts on this follow:
Here we go again!

Another poor ole mass murderer has been wronged by "too much adverse publicity," and it doesn't look like he will be able to get a "fair" trial, "anywhere."

It's getting pretty old hearing that same song and dance as the first chorus from the box after the lark is over.

"Fair" is a word which makes no sense when you are dealing with a mass murderer, who takes his orders from a dog, relaying messages from a 6,000-year-old man.

Now the tune is played—we were always told that when a dog bites a man, that ain't news—but when a man bites a dog, you better darned well believe that is news.

What is the press to do when a crazy man stalks the streets of New York City for over a year—racking up some of the worst murders to be recorded?

It appears that sometimes things don't really take place until they are reported in a newspaper, and then it is the newspaper's fault that they happened.

So, since the national media decided to give coverage to 'Son of Sam,' let's give him his rights and free him now rather than waste the taxpayers' dollars fighting not the issue that he killed in cold blood, but rather the fact that his awful crimes were covered by the national press.

It's a sick, sick world when it comes down to determining whether a 'feller' is guilty or not by his press clippings.

What Does It Take To Build A Church?

Perhaps you glance at the church on the corner once in a while and wonder what it would be like to visit during a service. What is it that draws those people to that particular building every week? What built that church?

The only possible answer is — the love of God. Their love of God prompted them to sacrifice and give so that the sanctuary might be built. The love of God compels them to meet there with others who serve Him. Their love of God compels them to "go, and tell others".

We pray that you will be drawn to such a church this week and that you will align yourself with it. You can help build it into something even better.

State Outlines New 'Staggered' Car Tag Registration System

AUSTIN—Dog days got you down? Soaring temperatures dulling your thought processes? This may be a good time to reflect on the long lines that stretched interminably last March as Texas motorists sought to beat the annual motor vehicle registration deadline. That ought to push

your temperature a little higher! But there's no reason why it should. Relief is on the way. Some motorists are getting a preliminary look this week at the new year-round registration program, which will be initiated next January. Flyers outlining briefly

plans for the new system are being mailed with new motor vehicle registrations, according to Robert W. (Bob) Townsley, director of the Motor Vehicle Division of the State Department of Highways and Public Transportation. The notices indicate that "staggered" year-round re-

gistration begins January 1. "Your 1977 vehicle registration will expire midnight, April 1st, as usual, and must be renewed by that deadline," the notices say. "Beginning January 1, 1978, a new law requires that vehicle registrations be converted to a new system with registrations expiring on a staggered basis in different months throughout the year.

"To convert to the new system next year, registration periods for passenger cars and light trucks (such as pickups) will be staggered. All other registrations (including personalized plates) will remain the same. "On or about January 1, 1978, you should receive through the mail a renewal notice for each of your vehicles. The passenger car and light truck renewals will be staggered for various periods and license fees will be prorated accordingly. (Renewal periods will be assigned according to the license plate numbers.) "After your vehicles are registered under the new staggered system, all future registrations will be for a period of 12 months. "This new system should permit us to serve you more efficiently by having an equal number of registrations expire each month throughout

the year; and in subsequent years, after 1978, it should eliminate those traditional long lines that form each March at the county tax assessor-collectors' offices." Several states — including Kentucky, Washington, California — already have initiated the year-round registration plan. Texas hopes to report the same results: No more long waiting lines. ... faster and more efficient services.

RAINFALL

One and one-half inch of rainfall here Sunday boosted the month's total to 3.74, according to Bill Rountree, official gauger here. Recordings for the month are: Aug. 1, 1.47; Aug. 11, trace; Aug. 20, .12; Aug. 21, .11; Aug. 23, .15; Aug. 24, .39; Aug. 28, 1.50.

Philosopher Tells What School Pupils Did Before Television Ruined All of Them

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One explains the effect television has on children this week, we think.

Dear editor: According to a national study group, television is mainly to blame for so many high school graduates making such low scores on their college entrance exams. Scores on the Standard Aptitude Test have been declining steadily over the last 14 years. "By age 16," the group reported, "most children have spent between 10,000 and 15,000 hours watching television, which detracts from their school work." I got to thinking about this. What, I asked myself, did school kids do before television was invented? Just look around. You can tell practically every grown-up you know was bound to have spent the first 126 years

of his life with his head buried in a library book when he wasn't memorizing the multiplication tables. They must have driven their parents half crazy sitting around the house saying over and over for hours on end, six times six is thirty-six, six times seven is forty-two and whatever it is that comes next. I don't have a calculator. If they were told to stop that, they'd start giving you the names of the capitals of all the states, plus the date of the Battle of Bull Run. You'd have to call them three times before they'd look up from reading Pilgrim's Progress. Kids in those days never wasted a minute. Before television, kids were smart. Ask any grown-up who grew up without it. Why some of them grew up thinking all

Booster Club Meets Tuesdays

Richard Winegeart, new president of the Pied Piper Booster Club, invites all fans to attend booster club meetings every Tuesday at 7:30 p.m. in the high school cafeteria.

Film of the Stamford-Hamlin game will be shown with Coach Bill Grissom giving the commentary on the game. Refreshments are served.

School Pictures Set for Sept. 8

The photographer to take school pictures will be here Thursday, Sept. 8, at 8:30 in the elementary school gymnasium, according to Larry Butler, principal.

All parents with pre-school age children who want to have their children's pictures taken at this time may do so with the understanding that they purchase the pictures, Butler said.

Visitors expected in the home of Mr. and Mrs. O. P. Light for Labor Day are her brother and his family, Mr. and Mrs. Charles Meister, Louise and Ronnie of Mesquite and Mr. and Mrs. Alton Meister and two sons of Dallas, and the Lights' daughters, Debbie and Brenda of Lubbock.

Mr. and Mrs. Kenneth Ferguson of Muleshoe are parents of a boy, Steven Craig, 7 lbs. 6 ozs., born Aug. 23 at 2:57 a.m. in Muleshoe. They have another boy, Chris, 7. Grandparents are Mr. and Mrs. W. L. Moore of Hamlin and Mr. and Mrs. Charles Ferguson of McCaulley and great-grandmother is Mrs. Ada Moore of Anson.

Baptist Church Expanding Its Bus Ministry

An expanded bus ministry for First Baptist Church is being announced to begin Sunday morning, Sept. 11.

This service which is open to everyone will provide transportation Sunday morning for Sunday School and church. This type service is already in operation for the Mexican Mission under the direction of Ed Lewis.

James Lain will be the new director of bus ministries for FBC. Four drivers have been contacted to serve on alternation basis. These are Lee Hastings, Rex Reynolds, Ronald Carter and Ray Ulmer.

In the weekly newsletter dated Aug. 24 a form was printed for those interested to fill in and turn in at the church. Routes will be determined and time schedules will be set after this information is compiled.

Card of Thanks

CARD OF THANKS
A Very Sincere Thank You:
Words are inadequate to express the deep thankfulness I feel in my heart to all of my Church members and the many, many friends in Hamlin and all surrounding cities and towns, for your many acts of kindness, visits, cards, flowers, and other gifts which I received during my illness and surgery. Most of all I appreciate your prayers, they were a constant source of uplift and support for me. God has been very good and I hope to be on the go right away. A special thanks to Rev. and Mrs. Joe Norton and others who have cared for the church activities while I was away. Also, my deepest sympathy to those who have experienced sorrow while I was away. I have been praying for you. May God bless you as only He can do. In Christian Love,
Marshall Stewart and family

expressions of sympathy that were showered upon us in the recent loss of our loved one. We would especially like to thank Bro. Glenn Reese and Bro. Woods for the beautiful memorial service; Mr. Bingham, Floy Kenady and the choir for the lovely music; all who prepared and served food and those who sent floral tributes. Mrs. Lanis McMeans, Mickey McMeans and family, and Tommy McMeans and family

CARD OF THANKS
We extend our deep appreciation to all our friends who did so much for us during our recent bereavement. The many beautiful expressions of sympathy were most helpful. We would like to express a special thank you to Bro. Jones, Bill and Chic Foster, Dr. Joe Hymer, the staff at Holiday Lodge and Cora Clark. The Family of Mrs. H. E. (Laura) Brown

CARD OF THANKS
We want to express our appreciation for all the kindness shown us during the recent loss of our loved one. To the doctors, nurses and hospital staff, to Bro. Jones, Bro. Posey, the choir, the organist. For all the prayers, visits, calls, food and memorial gifts. For being so good to Edd and our family. We thank you. The Family of Edd Rodgers

Safety 'rules' in school bicycling!

Better than 60 million Americans will be going back to school this fall from kindergarten to graduate school. Many of them will be bicycling back to school, but in most cases there will be something lacking in their classrooms — bicycle safety education.

The Bicycle Manufacturers Association of America, as one of its major goals before 1980 rolls around, is spearheading a drive for bicycle safety education in the nation's schools. This is not a far-fetched idea.

Common sense indicates that of the more than 100 million cyclists in the United States, most are students of one kind or another.

It's rather disheartening to the BMA, and others involved in the cycling movement, that youngsters start their education with pedestrian safety education — cross at the green and not in between — then have to wait until high school for a course in automobile driver education.

In the meantime, there is hardly an American youngster who isn't driving a bicycle whether he owns one or not. The love affair between American school children and bicycles is legendary, but there is a great paucity of bicycle safety education.

The BMA is convinced this lack of bicycle safety education must end and it may have found allies in government.

The U.S. Department of Transportation and the Consumer Product Safety Commission co-sponsored a National Conference on Bicycle Safety Education in Washington, D.C., last spring. It appears this Conference has lit a spark and signs point to more and more exploration of the bicycle safety education picture between now and American Bike Month next May.

Although the safety education vacuum in the schools still exists, here are some recommended bicycle safety driving rules of the road from the BMA which will help youngsters and adults alike avoid accidents.

1.) Obey all applicable traffic regulations, signs, signals and markings.
2.) Observe all local ordinances pertaining to bicycle operation.
3.) Keep right, drive with

ment, good quail hunting. Information, call (817) 888-3323.

Local Highway Engineer, Charles Wesbrooks, Retires

A longtime veteran of the State Department of Highways and Public Transportation retired Aug. 31. Charles W. Wesbrooks, resident engineer in Hamlin, retired after completing 38 years of service.

Wesbrooks began his highway career in 1939 but resigned in 1942 to enter the U. S. Navy. He returned to the department in 1946 but was recalled to active duty in 1950 where he served in Norfolk, Virginia helping to train sailors. He was released from active duty in 1952, returning again to highway department service. He served as Commanding Officer of the Navy Construction Battalion (Seabees) in Abilene and retired while holding that position. While serving in the Navy, Wesbrooks received 10 battle stars and nine ribbons for service in the Pacific.

Beginning his highway career as a laborer, Wesbrooks received a professional engineer license in 1949 and was promoted to associate resident engineer. Upon his return to the department in 1952, he became a resident engineer and served in Stamford as resident engineer from 1954 to 1957. He was transferred to Abilene in 1957 and promoted to supervisory resident engineer. Much of the interstate highway system through Taylor and Callahan Counties were designed and constructed under Wesbrooks' supervision. In 1973 he was transferred to Hamlin where he has been in charge of highway construction in Stonewall, Haskell, Fisher and Jones Counties.

Wesbrooks was born in 1915 in Petrolia and attended public school in Burk Burnett. He graduated from Hardin-Simmons University in 1938 with a degree in mathematics.

Wesbrooks is married to the former Mildred Lois Richey of Hamlin. They reside at Rt. 2, Golf Course Road in Hamlin. Upon retirement Wesbrooks will devote more time to the Knight Templary of Texas where he will become the Grand Commander in April.

10 Students From Hamlin In TSTI Graduating Class

Ten students from Hamlin were in the largest graduating class in the history of the Rolling Plains Campus of Texas State Technical Institute in commencement exercises held Aug. 19 in Sweetwater.

Funeral services Held Monday for Mrs. Horace Brown

Mrs. Horace (Laura Jane) Brown, 85, a longtime area resident died at 2:45 p.m. Saturday at Holiday Lodge Nursing Home after a brief illness.

Services were held at 2 p.m. Monday at First Baptist Church with the Rev. Howard Jones, pastor, and the Rev. Frank Codington, pastor of Neinda Baptist Church, officiating.

Burial was in Hamlin Memorial Cemetery under the direction of Foster Funeral Home.

Born Oct. 17, 1891, in Mt. Joy, she was the daughter of the late Mr. and Mrs. A. B. Beard. She married Horace E. Brown June 16, 1909, at Tuxedo. They moved to Hamlin in 1941.

Her husband died Dec. 5, 1965.

She was a member of First Baptist Church where she taught Sunday School several years.

Survivors include four sons, Roy L. of Andrews, Cecil E. of Hamlin, H. V. of Fort Stockton and Charles of Galveston; two daughters, Mrs. Homer (Geneva) Neal of Hamlin and Mrs. S. R. (Virginia) McMullan of Abilene; one sister, Mrs. N. W. Harvick of Lamesa; 11 grandchildren and 13 great-grandchildren.

Pallbearers were Randy Brown, Mike Brown, Joe Neal Brown, Edward Gardner, J. C. Turner, Bill Harbert, Edgar Duncan and E. N. Jenkins.

Fall Grains Need Fall Nitrogen

Don't spare the nitrogen on small grains this fall, says Kirby Clayton, county agent with the Texas Agricultural Extension Service.

He lists three important reasons why wheat and other small grains need nitrogen at planting or a short time afterward:

- for early grazing
- to help decompose residual straw and
- for high production

Sufficient fall growth for early grazing cannot be expected without adequate nitrogen at planting, emphasizes Clayton. The advantages of early planting and favorable fall growing conditions can be lost if nitrogen fertilization is delayed until the condition of the stand can be determined. Establishing a good uniform stand requires some nitrogen, and most soils are deficient in this nutrient.

Guy Turner Is Elected Class Prexy

The 1977-78 Senior Class elected officers Tuesday. Guy Turner was elected president; Olivia Marshall, vice-president; Linda Marcom, secretary; Tommy Maberry, treasurer; and Dora Romero, reporter.

Class favorites chosen were Jami Crowley and Tommy Maberry.

Miss Dora Mitchell and Jerry Gooch were chosen class sponsors.

Dr. and Mrs. Joe Don Hymer; Mr. and Mrs. R. L. Goodgame Jr.; Mr. and Mrs. Robert A. Pharis and Mr. and Mrs. Bill Cork were elected class parents.

Class colors are green and white and the white rose is the class flower.

Homecoming Queen nominees are Liz Hooper, Leeia Pharis, Jami Crowley and Dora Romero.

Piper Queen nominee is Linda Marcom.

To meet nitrogen requirements during the fall growing period, producers can apply the total requirement before planting or can apply a small amount at planting followed by top-dressing soon after planting.

Of course, fall nitrogen fertilization is also affected by the amount of straw from the previous crop, adds Clayton. The bacteria and other microorganisms needed to decompose the straw require nitrogen and can use soil and applied nitrogen, thus reducing the amount available to plants. Since the 1976 crop produced above-average amount of straw in some areas, it may be necessary to apply a higher proportion of the total nitrogen requirement in the fall.

The general rule in applying nitrogen has been to increase the rate about 20 pounds per acre for each ton of undecomposed straw. However, a portion of this nitrogen is recovered during the final stages of decomposition so that as much as half of this may be available during the spring months. This means that about half of the "extra" nitrogen could be deducted from the late winter top-dressing, explains, Clayton.

Funeral Services Held Friday for Edd Rodgers, 79

Funeral for Edd Rodgers, 79, was held at 2 p.m. Friday at First Baptist Church. He died at 10:35 a.m. Thursday at Hamlin Memorial Hospital after a lengthy illness.

The Rev. Howard Jones, pastor, and the Rev. A. R. Posey of Seagraves, former pastor of First Baptist Church here.

Mr. Rodgers, a retired farmer, had lived here 54 years. He was born March 16, 1898, at Gorman in Eastland County.

He married Dicie Brown Jan. 7, 1928, at Aspermont. Mr. Rodgers was a member of First Baptist Church.

Survivors include his wife; one son, James E. Rodgers of Hamlin; two daughters, Doris Posey of Liberty Hill and Gloria Riggs of Hamlin; two brothers, Fred Rodgers and Cullen Rodgers, both of Gorman; one sister, Lois Rodgers of Victoria; and six grandchildren.

Pallbearers were Bill Smith, Ralph Riddell, Cecil Brown, Wayne Hodnett, Manny Johnson and Jess Young.

MAY CLAIM 44 LIVES— Drivers Warned of Labor Day Weekend

AUSTIN—Drivers seem to be displaying more cooperation and alertness on Texas highways during major holidays. At least that's the opinion of the director of the Texas Department of Public Safety who says the 1977 Labor Day period could be safer than the same weekend in 1976.

Even so, Colonel Wilson E. Speir warned today that Texas traffic collisions from 6 p.m. Friday, September 2, to midnight Monday, September 5, may claim 44 lives.

During the 1976 Labor Day weekend, traffic accidents killed 50 persons in the state.

Speir said that so far this year, traffic deaths are running five to six per cent higher than during the same period in 1976. He noted that during recent years, "we have experienced considerable increases in the number of vehicles, the number of licensed drivers, as well as the number of miles driven."

"However," he added, "holiday drivers seem to be exercising more restraint and we hope this trend will continue."

The DPS director urged motorists to refrain from drinking during the Labor Day period, keep their speed under control, and not take unnecessary chances.

As usual, the DPS will place all available Troopers on the state's highways during the holiday and they have been ordered to keep a close watch for reckless drives. But Speir noted that

For air-conditioning efficiency, check the filter, advises Dr. Carolyn McKinney, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System. "Check periodically for clogging," advises Dr. McKinney. "If necessary, read the owner's manual on how to clean the clogged filter," she says.

WANTED
Volunteers to Work with Homecoming.
Call 576-3741

"they will be spread thin covering the thousands of highway miles in Texas, and we are hopeful that motorists will join in the effort to make Labor Day safe."

COMPARE Sweetwater Savings' earnings with other savings plans!

A simple fact: SOME SAVINGS PLANS YIELD MORE THAN OTHERS. Why? Two factors determine the ANNUAL YIELD on a savings account. First, is the interest rate, and second, is the method of compounding that interest rate. Daily compounding produces a higher annual yield than quarterly compounding.

Before you deposit your hard earned money into a savings account, compare the ANNUAL YIELD with the ANNUAL YIELD at Sweetwater Savings. WHY TAKE LESS?

Compare Sweetwater Savings' rates, terms and ANNUAL YIELD with other savings plans.

SWEETWATER SAVINGS ANNUAL RATE	TERMS	SWEETWATER SAVINGS ANNUAL YIELD*	OTHER PLANS' ANNUAL YIELD*
7.75%	6 yr. cert.—\$1,000 min.	8.06%	_____
7.50%	4 yr. cert.—\$1,000 min.	7.79%	_____
6.75%	30 mo. cert.—\$1,000 min.	6.98%	_____
6.50%	1 yr. cert.—\$1,000 min.	6.72%	_____
5.75%	90 day cert.—\$1,000 min.	5.92%	_____
5.25%	Passbook—\$5 minimum	5.39%	_____

*Based on daily compounding of earnings for 12 months. A substantial interest penalty is required for early withdrawal of certificate accounts.

High School Band Completes Two Week Band Camp

The Hamlin High School Band has been in band camp for the last two weeks to prepare for the upcoming football season. The first week consisted of Band practice from 8 a.m. to 12 noon, and the second week consisted of night rehearsals from 7:45 p.m. till 9:30 p.m.

The band members have ordered green tee shirts which have their name, the Piper emblem and Piper Band on them. The shirts are mainly to boost Piper spirit at the Pep rallies on Fridays.

Team Roping To Benefit WT Rehab Center

There will be a team roping on Saturday, Sept. 3, at the Old Abilene Town Arena in Abilene to benefit the West Texas Rehabilitation Center.

The team roping will start at 11 a.m. and go until finished. Entry fee for this roping is \$50 for three head (fast back on third). Books close at 10 a.m. Sept. 3.

First place team will receive a pair of handmade saddles; second place team will get buckles; third place team will receive spurs, and fourth place team will get bits.

Admission to the roping is \$2 per person. All proceeds from this roping will go to the West Texas Rehabilitation Center. For more information on this roping, contact Danny Isbell or Sonny Dillard at (915) 692-2811.

DECA Club Sets Meeting Tuesday

The Hamlin Chapter of the Distributive Educational Clubs of America will hold their first meeting Tuesday at 8:00 p.m. according to Carlton Taylor, Distributive Education instructor.

Included on the meeting's agenda are the election of officers, DECA Sweetheart, membership fees, future meeting dates and fund raising plans.

All members are urged to attend, Mr. Taylor said.
